IDAHO.

CAPITAL, BOISE.

Population of State, 161,772.
(U. S. Census of 1900.)
Number of Physicians, 238.

Idaho extends from 42 degrees to 49 degrees north latitude, and from 111 degrees to 117 degrees west longitude, and is bounded on the north by British Columbia, on the south by Nevada and Utah, on the east by Montana and Wyoming, and on the west by Washington and Oregon. It comprises an area of 86,294 square miles, or 55,228,160 acres. The Bitter Root Mountains, a chain of the Rockies, form the northeastern boundary, and their spurs and extensions occupy a considerable portion of its surface.

The rivers of the state are, with the exception of the Bear river, tributaries of the Columbia.

The climate is cool and healthful, the mean annual temperature being 52.46.

The following table shows increase in population for 30 years:

1870	14,999	1890	84,385
1880	32,610	1900	161,772

There are numerous mineral springs in Idaho, but they have not as yet been used to any great extent for medicinal purposes. Large quantities of salt are manufactured from the soda springs in the southern portion of the state.

BOARD OF MEDICAL EXAMINERS.

Pres, L D McCalla, M D, Boise; Sec and Treas, R L Nourse, M D, Hailey; J L Conant jr, M D, Genesee; G M Waterhouse, M D, Weiser; Russell Truitt, M D, Cottonwood; R S Gregory, M D, Boise. Board meets first Tuesday in April and October. Fee, $25.

HEALTH OFFICERS AT PRINCIPAL POINTS.

Boise—L C Bowers, M D.
Lewiston—C F Carsow, M D.
Moscow—J N Clarke, M D.
Pocatello—J H Bean, M D.
Wallace—I L Magee, M D.
Wardner—Hugh France, M D.

HOSPITALS, HOMES, ETC.

SYNOPSIS OF MEDICAL LAW.

(From Journal of the American Medical Association.)

The State Board of Medical Examiners are appointed by the Governor, and must not have a majority of any one school of medicine. The act of 1889 provides (section 6) that: After the passage of this act, every person, except as hereinbefore provided, desiring to commence the practice of medicine and surgery, or either of them, within the State shall, immediately and prior to commencing the same, make a written application to the State Medical Examining Board, upon suitably prepared blanks, to be furnished by the board, for a license so to do. The applicant shall transmit with said application his or her diploma, together with an affidavit setting forth that said diploma is genuine, and that the applicant is the rightful possessor thereof and the identical person named therein, and that the same was obtained by pursuing the regular course of study or examination in said institution, and setting forth that he or she is a citizen of the United States, or has declared their intention of becoming such. If the said diploma has been issued by a reputable college of medicine in good standing, said applicant shall be eligible to examination. All applicants shall be examined in the applied branches of the theory and practice of medicine and surgery, or either of them, as those branches are taught in the reputable chartered schools of the system of medicine to which the applicant belongs and which the applicant intends to practice, and such examination shall in all cases include anatomy, physiology, pathology, diagnosis, hygiene, chemistry, histology and toxicology. No applicant for license shall be allowed to practice medicine and surgery, or either of them, until such license shall have been granted. The board shall cause the examination to be scientific and practical and sufficiently thorough to test the applicant's fitness to practice medicine and surgery, or either of them, and if the applicant correctly answers at least seventy-five per cent of all the questions submitted, said board shall grant the applicant a license to practice medicine and surgery in this State. Every applicant for license under any of the provisions of this act must furnish sufficient evidence to the board that they are of good moral character. All applications under this section must be accompanied by twenty-five dollars ($25), which is the fee for examination under this section. Should the applicant fail to pass said examination the fee is not returnable. The cost of transmission to and from the board of all papers belonging to an applicant under this or any other section of this act shall be paid by the applicant. In case an applicant for examination fails to pass the required examination, he or she may be re-examined after the expiration of six months, and within one year, without the payment of an additional fee, and thereafter said applicant may be examined as often as desired at any regular or special meeting of the board on the payment of the regular fee for such examination. Said board may also refuse a license for unprofessional conduct, or conduct of a criminal, immoral or dishonorable nature.

Section 7 defines what shall be considered "unprofessional or dishonorable" conduct, including participation in criminal acts; employing "cappers" or "steerers;" obtaining fees by professing to cure incurable diseases; violation of professional secrecy; advertising and intemperance. "Any person shall be regarded as practicing medicine and surgery, or either, who shall advertise in any manner, or hold himself or herself out to the public as a physician and surgeon, or either, in this State, or who shall investigate or diagnosticate, or offer to investigate or diagnosticate, any physical or mental ailment of any person with a view of relieving the same as commonly done by physicians or surgeons, or suggest, recommend, prescribe or direct, for the use of any person, sick, injured or deformed, any drug, medicine, means or appliance for the intended relief, palliation or cure of the same, with the intent of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever." This does not include services rendered in cases of emergency where no fee is chargd. Any person who shall present to the board as his own or her own, the diploma of another, or a forged affidavit of identification, or who shall attempt to personate another practitioner of a like or different name, shall, upon conviction thereof, be subject to such fine and imprisonment as are made and provided by the statutes of the State of Idaho for the crime of forgery.

Section 16 gives the usual exemption of government officers, railway surgeons and outside consultants. Licenses must be recorded within thirty days with county recorder. Regular meetings of the board on the first Tuesday in April and October. Special meetings when called.

EXTRACTS FROM THE LAW AND RULES OF THE BOARD.

No temporary license or permits can be granted under the law.

Practice in the State is prohibited under penalty, until license is first obtained.

SAUNDERS' SUCCESSFUL BOOKS
See pages 9 to 32

An examination in person before the board is required in all cases; no "private" examinations can be held by individual members of the board.

The board meets for examinations on the first Tuesday in April and October each year.

The subjects embraced in the examination are: Anatomy, physiology, chemistry and toxicology, materia medica and therapeutics, diagnosis, theory and practice, hygiene, obstetrics, gynecology, surgery, pathology and histology.

The fee for examination is $25 which should be forwarded with the application, to the secretary; diploma and other credentials should be presented in person at the time of examination.

Application blanks and further information may be had by addressing the secretary,

DR. R. L. NOURSE, Hailey, Idaho.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ⌇, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Population of State, 4,821,550.
(U. S. Census of 1900.)
Number of Physicians, 9,172.

Illinois was organized as a territory March 1, 1809, and admitted as a state December 3, 1818. The population of the state, according to the U. S. census of 1900, is 4,821,550, as compared with a population in 1890 of 3,826,351, showing an increase during the decade of 995,199, or 26 per cent. The following table shows the increase since 1850:

1850.....	851,470	1880.....	3,077,871
1860.....	1,711,951	1890.....	3,826,351
1870.....	2,539,891	1900.....	4,821,550

In 1673 the early French missionaries and traders from Canada, extending their explorations to the southwest of Lake Michigan, found certain Indians inhabiting this region who were known as the Illinois tribe, or Illini, as the name was first spelled by the French. The name was soon transferred to the river, along the banks of which the Illinois tribe had numerous villages, and afterwards applied to the country on either side of the river and as far south as the Ohio. During the French and British occupations this rather indefinite region was known as "The Illinois country," retaining the name "Illinois" when organized afterwards as a territory and a state.

The parallel 42 degrees 30 minutes north latitude forms the northern boundary extending from Lake Michigan to the Mississippi river, a distance of about 150 miles. About the same length of its eastern boundary is formed by the meridian 10 degrees 25 minutes west from Washington. Besides these two lines it has the natural boundaries of Lake Michigan on the northeast, the Wabash and Ohio rivers on the east and southeast, and the Mississippi for its very irregular western boundary. Its extreme length, north and south, is 385 miles, and its greatest width, east and west, 218 miles. Its area is about 56,000 square miles, or 35,840,000 acres, nearly the whole of which is arable, the state containing a smaller proportion of waste land than any state in the Union, with the possible exception of Iowa. Its area is greater than that of England or the two kingdoms of Denmark and Portugal combined, or of all the New England states exclusive of Maine. It is easily the first agricultural state in the Union, and ranks first also in its railroad mileage. It is now the third state in population, among the first in manufacturing industries, and has within its boundaries a wealth of resources unsurpassed by any other state.

The climate is pleasant and healthful and perpetual breezes blow over the prairies, modifying the summer heats, while Lake Michigan makes the neighboring re-

mer. The diversity of the climate depends largely on the extent of the state north and south, one end being in the latitude of Boston, Mass., and the other in that of Norfolk, Va. The fluctuations in temperature are often great and sudden, but the vital statistics show that the climate is remarkably healthful.

MEDICAL LAW OF ILLINOIS.

(Extract from the Revised Statutes of Illinois, 1899.)

AN ACT TO REGULATE THE PRACTICE OF MEDICINE IN THE STATE OF ILLINOIS, AND TO REPEAL AN ACT THEREIN NAMED.

Section 1. Organization and Duties of State Board of Health.—Be it enacted by the People of the State of Illinois represented in the General Assembly: That the State Board of Health shall organize within three months after the passage of this act; it shall procure a seal and shall receive through its secretary applications for certificates and examinations. The president and secretary shall have the authority to administer oaths, and the board to take testimony in all matters relating to its duties.

Sec. 2. License from State Board of Health Required—Applications for License—Examinations—Graduates of Legally Chartered Medical Colleges in Illinois in Good Standing Granted Certificates.—No person shall hereafter begin the practice of medicine, or any of the branches thereof, or midwifery, in this State without first applying for and obtaining a license from the State Board of Health to do so. Application shall be in writing, and shall be accompanied by the examination fees hereinafter specified, and with proof that the applicant is of good moral character. Applications from candidates who desire to practice medicine and surgery in all their branches shall be accompanied by proof that the applicant is a graduate of a medical college or institution in good standing, as may be determined by the board. When the application aforesaid has been inspected by the board and found to comply with the foregoing provisions, the Board shall notify the applicant to appear before it for examination, at the time and place mentioned in such notice.

PHYSICIANS prescribing VAN VLECK'S Animal Remedies obtain remarkable success in the diseases mentioned on page 41.

Examinations may be made in whole or in part in writing by the board, and shall be of a character sufficiently strict to test the qualifications of the candidate as a practitioner. The examination of those who desire to practice medicine and surgery in all their branches shall embrace those general subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine, by reputable medical colleges in the United States. The examination of those who desire to practice midwifery shall be of such a character as to determine the qualification of the applicant to practice midwifery. The examination of those who desire to practice any other system or science of treating human ailments who do not use medicines internally or externally, and who do not practice operative surgery shall be of a character sufficiently strict to test their qualifications as practitioners. All examinations provided for in this act shall be conducted under rules and regulations prescribed by the board, which shall provide for a fair and wholly impartial method of examination. Provided, that graduates of legally chartered medical colleges in Illinois in good standing as may be determined by the board, may be granted certificates without examinations.

Sec. 3. License to Practice—Provisions.—If the applicant successfully passes his examination, or presents a diploma from a legally chartered medical college in Illinois of good standing, the board shall issue to such applicant a license authorizing him to practice medicine, midwifery or other system of treating human ailments, as the case may be: Provided, that those who are authorized to practice other systems can not use medicine internally or externally or perform surgical operations: Provided, further, that only those who are authorized to practice medicine and surgery in all their branches shall call or advertise themselves as physicians or doctors: And, provided further, that those who are authorized to practice midwifery shall not use any drug or medicine or attend other than cases of labor. Such license shall be in such form as may be determined by the board, and in accordance with the provisions of this act: Provided, however, that any willful violation on the part of an applicant of any of the rules and regulations of the board, governing examinations shall be sufficient cause for the board to refuse to issue a license to such applicant. Such certificates shall be signed by all members of the board and attested by the secretary.

Sec. 4. Certificates to be Recorded in Office of County Clerk—Records of County Clerk. —Every person holding a certificate from the State Board of Health shall have it recorded in the office of the clerk of the county in which he resides or practices within three months from its date, and the date of recording shall be endorsed thereon. Until such certificate is recorded, as herein provided, the holder thereof shall not exercise any of the rights or privileges conferred therein. Any person practicing in another county shall record the certificate in like manner in the county in which he practices, and the holder of the certificate shall pay to the county clerk the usual fee for making the record. The county clerk shall keep, in a book provided for the purpose, a complete list of the certificates recorded by him, with the date of the issue of the certificate. The register of the county clerk shall be open to public inspection during business hours.

Sec. 5. Examination Fees.—The fees for examination and for a certificate shall be as follows: Ten (10) dollars for examination in medicine and surgery, and five (5) dollars for a certificate if issued. Five (5) dollars for an examination in midwifery, and three (3) dollars for a certificate if issued. For all other practitioners ten (10) dollars for an examination and five (5) dollars for a certificate if issued.

Sec. 6 Unprofessional or Dishonorable Conduct—Board May Withhold or Revoke Certificates—Hearing.—The State Board of Health may refuse to issue the certificates provided for in this act to individuals who have been convicted of the practice of criminal abortion, or who have by false or fraudulent representation, obtained or sought to obtain practice in their profession, or by false or fraudulent representation of their profession have obtained or sought to obtain money or any other thing of value, or who advertise under names other than their own, or for any other unprofessional or dishonorable conduct, and the Board may revoke such certificates for like causes. Provided, that no certificates shall be revoked or refused until the holder or applicant shall be given a hearing before the board.

Sec. 7. Definition of this Act.—Any person shall be regarded as practicing medicine, within the meaning of this act, who shall treat or profess to treat, operate on or prescribe for any physical ailment or any physical injury to or deformity of another: Provided, that nothing in this section shall be construed to apply to the administration of domestic or family remedies in cases of emergency, or to the laws regulating the practice of dentistry or of pharmacy. And this act shall not apply to surgeons of the United States army, navy or marine hospital service in the discharge of their official duties, or to any person who ministers to or treats the sick or suffering by mental or spiritual means, without the use of any drug or material remedy.

Sec. 8. Itinerant Venders—License—Penalties.—That any itinerant vender of any drug, nostrum, ointment or appliance of any kind intended for the treatment of diseases or injury, who shall, by writing or printing, or any other method, profess to the public to cure or treat disease or deformity by any drug, nostrum or application, shall pay a license of one hundred (100) dollars per month into the treasury of the board, to be collected by the board in the name of the people in the State of Illinois, for the use of said board. And it shall be lawful for the State Board of Health to issue such license on application made to said board, said license to be signed by the president of the board and attested by the secretary with the seal of the board; but said board may for sufficient cause refuse said license. And such itinerant vender, who shall, by writing or printing, or any other method, profess to cure or treat disease or deformity by any drug, nostrum or appliance without a license so to do, shall be deemed guilty of a violation of this section, and upon conviction shall be subject to the penalties hereinafter provided.

Sec. 9. Penalty for Practicing Without License.—Any person practicing medicine or surgery or treating human ailments in the State without a certificate issued by this board in compliance with the provisions of this act, or any itinerant vender violating the provisions of section 8 of this act, shall for each and every instance of such practice or violation forfeit and pay to the people of the State of Illinois, for the use of the said

SEE PAGE 43. 67 WABASH AVENUE.

Board of Health, the sum of one hundred (100) dollars for the first offense, and two hundred (200) dollars for each subsequent offense, the same to be recovered in an action of debt before any court of competent jurisdiction, and any person filing or attempting to file as his own, the diploma or certificate of another, or a forged affidavit of identification, shall be guilty of a felony, and upon conviction shall be subject to such fine and imprisonment as are made and provided by the statutes of the State for a crime of forgery: Provided, that this section shall not apply to physicians who hold unrevoked certificates from the State Board of Health issued prior to the time of the taking effect of this act.

Sec. 10. Enforcing Penalties—Appeals.—Upon conviction of either of the offenses mentioned in this act the court shall, as a part of the judgment, order that the defendant be committed to the common jail of the county until the fine and costs are paid, and upon failure to pay the same immediately the defendant shall be committed under said order for first offense not more than thirty (30) days, and for each subsequent offense not more than ninety (90) days: Provided, that either party may appeal in the same time and manner as appeals may be taken in other cases, except that where an appeal is prayed in behalf of the people, no appeal bond shall be required to be filed, whether the appeal be from the justice of the peace or from the county or circuit courts, or from the appellate court. But it shall be sufficient in behalf of the people of the State of Illinois, for the use of the State Board of Health, to pray an appeal, and thereupon appeal may be had without bond or security.

Sec. 11. Board to Make Report of Proceedings and Pay All Funds Into State Treasury on September 30th of Each Year.—On the 30th day of September of each year the State Board of Health shall make report of its proceedings, showing all items of receipts from all sources and disbursements for all purposes, and all funds in the treasury on said date which have been received in the enforcement of this act shall be paid into the state treasury.

Sec. 12. Repeal.—An act to regulate the practice of medicine in the State of Illinois, approved June 17, 1887, in force July 1, 1887, and all other acts and parts of acts inconsistent with this act are hereby repealed.

SCHEDULE OF MINIMUM REQUIREMENTS FOR MEDICAL COLLEGES TO BE DETERMINED IN "GOOD STANDING."

Adopted by The Illinois State Board of Health, July 8, 1902. In force January 1, 1903.

CONDITIONS OF ADMISSION TO LECTURE COURSES.

1. Creditable certificates of good moral character signed by two physicians of good standing in the State in which the applicant last resided.

2. As evidence of preliminary education, as a minimum requirement, a diploma or certificate of graduation from a high school; or a certificate signed by a principal of a regularly organized high school or by the examiner of the faculty of a recognized literary or scientific college or university, or by the State Superintendent of Public Instruction, or a Superintendent of Public Schools, of having successfully passed an examination in all the several branches embraced in the curriculum of a four years' high school course. The matriculation examination shall not be conducted by any member of the faculty of the medical college.

The Illinois State Board of Health will require each applicant for a State certificate to present documentary evidence of his preliminary education together with his medical diploma, when taking the examination of the board.

The conditions above set forth will govern in the case of all persons admitted to the freshman year of a medical college in "good standing" on or after January 1, 1903.

ADVANCED STANDING.

Applicants holding the degree of A. B. or B. S. or an equivalent degree from a regularly established college of arts or science, which requires an attendance of three or more years as an essential to graduation, may be given credit for work done in the branches of the medical curriculum of the first year and may be advanced to the sophomore year of a four years' medical course, on condition that they comply with the entrance requirements of this board and that they subsequently complete the work of the freshman year if not already completed, and that the work already taken shall not be below the standard required by this board.

The same advanced standing may be allowed on the same conditions to applicants presenting a degree from a recognized college of dentistry or college of veterinary medicine, or documentary evidence of having completed in a reputable university or college of arts or science, the major part of the work usually embraced in the curriculum of the freshman course of a recognized medical school.

No such advanced standing shall be allowed until after the applicant shall have either graduated as indicated or performed the work specified above, and not until three months after the completion of said work.

The above requirements for advanced standing will govern in the case of all persons admitted to the sophomore year of a medical college on or after January 1, 1903, and may be made operative prior to that time.

Graduates of medical colleges recognized at any time by the Illinois State Board of Health, may be admitted to any class without examination. Students of said colleges who possess certificates of attendance and of successful examinations, can enter without examination the term immediately following that previously attended. The student shall be required to pass an examination in all branches in which he has been found deficient. Students who have attended one or more full terms in colleges not fully recognized by this board may be granted advanced standing in accordance with such attendance, on complying with the entrance requirements set forth in the conditions of admission to lecture courses, and passing all examinations and performing all laboratory work of the

DARMSTADT GERMAN FOOD.
ASK YOUR DRUGGIST
SEE PAGE 42.

classes below that which they enter, providing that the work already done conforms to the requirements of this board.

Graduates or students of colleges to which no recognition is given by the Illinois State Board of Health can be granted no advanced standing whatever.

LENGTH, NUMBER AND CHARACTER OF COURSES OF LECTURES.

The college shall have a four years' course of instruction consisting of four terms, extending over a period of four calendar years, and the minimum time between the commencement of the work of the freshman year and the ending of the work of the senior year, on which all students are required to be in attendance, shall be not less than forty months. No two terms begun on or after January 1, 1903, shall commence and end within any consecutive sixteen months.

The time occupied in each regular term begun on or after January 1, 1902, shall be not less than seven months or thirty weeks, and each such term shall consist of not less than eight hundred hours of work.

The branches of medicine to be included in the course of instruction shall be at least as follows: (1) Anatomy, (2) physiology, (3) chemistry, (4) materia medica and therapeutics, (5) theory and practice of medicine, including ophthalmology, otology, dermatology and neurology, (6) pathology and bacteriology, (7) surgery, including orthopedic surgery, (8) obstetrics, (9) gynecology, (10) hygiene, (11) medical jurisprudence, (forensic medicine).

ATTENDANCE.

1. Regular attendance during the entire lecture courses shall be required, allowance being made only for absences occasioned by the sickness of the student or his immediate family, such absence not to exceed 20 per centum of the course.

DISSECTIONS, CLINICS AND HOSPITAL ATTENDANCE.

1. Each student must have dissected at least the lateral half of a human cadaver.
2. He shall have received clinical and hospital instruction throughout at least two annual terms.

INSTRUCTION.

The college must have a sufficient and competent corps of instructors, and facilities for teaching, dissections, ambulatory and hospital clinics such as obtain in the majority of medical colleges in the United States.

GRADUATION.

No student shall be graduated by any medical college in "good standing" with the Illinois State Board of Health who has not completed four full terms of lectures as prescribed by the rules of the said board (certain persons to whom advanced standing is allowed excepted) and has complied with the requirements of the said college, as set forth in the published announcement of the college, and has completed in the college by which his diploma is granted, a continuous course of lectures in the senior year of at least seven months in duration.

FURTHER CONDITIONS OF RECOGNITION OF MEDICAL COLLEGES.

Rule 1. Only regularly conducted and legally chartered medical colleges which conform to the conditions of admission to lecture courses, the course and period of study, the number, character and length of lecture terms, the duration of attendance on hospital and clinical instruction, as set forth in the schedule of minimum requirements adopted by the Illinois State Board of Health, and the other requirements of a medical education which obtain as the practice of a majority of the established medical colleges in the United States, shall be considered medical institutions in "good standing" according to the purpose of the act to regulate the practice of medicine in the State of Illinois, approved April 24, 1899.

Rule 2. No medical college can be held to be in "good standing" until it has established its claim to such standing by an active existence of not less than four years, and then only on compliance with the terms of Rule 1. Provided, that colleges which, after a personal investigation made by a committee of the Illinois State Board of Health, are shown to comply with the schedule of minimum requirements and to possess a sufficient and competent corps of instructors, and the necessary facilities for teaching, may, at the discretion of the board, be granted full recognition during the first year of existence.

Rule 3. All medical colleges in "good standing" with the Illinois State Board of Health will be required to publish in their annual announcements or catalogues a complete list of all matriculates and a separate list of all graduates of the session or year immediately preceding.

Rule 4. No medical college will be considered in "good standing" with the Illinois State Board of Health which publishes in its annual announcement or catalogue, or otherwise, any misrepresentations regarding the curriculum of the college or the facilities for instruction, or the number of students matriculated or graduated.

NOTE.

All colleges in "good standing" with the Illinois State Board of Health will be required to conform to the schedule of minimum requirements in all regular courses commencing on or after January 1, 1903.

Advanced standing to the sophomore, junior or senior years may be granted to students who have completed courses in the freshman, sophomore, or junior years, prior to June 30, 1903, in accordance with the schedules of minimum requirements heretofore adopted by the Illinois State Board of Health.

All rules and regulations governing medical colleges which have been heretofore adopted by the Illinois State Board of Health will stand repealed on December 31, 1902.

Published by order of the board.

CAUTION.

Beware of so called Medical Directories, plagiarized from R. L. Polk & Co.'s Medical and Surgical Register of North America in violation of the copyright laws.

We have positive proof that some of the so-called State Medical directories issued since August, 1900, were copied from our 1900 Register and palmed off as new and original works.

Our friends will confer a favor upon us as well as render a service to the medical profession by promptly notifying us of such attempted frauds.

The Lakeside Hospital

(INCORPORATED 1884.)

THE OLDEST PRIVATE HOSPITAL IN CHICAGO.

The wards are especially desirable and attractive, and are provided with bath and toilet rooms.

The private rooms are furnished with every convenience and comfort consistent with perfect sanitation, a number being provided with private bath and lavatory.

The Sterilizing Room is provided with some original features to which your attention is invited. Here is found every appliance for the sterilization of instruments, ligatures and dressings. In this room the entire water supply for the operating rooms and surgeons' preparation room is first filtered, then sterilized.

The Surgeons' Preparation Room, besides the usual apparatus for preparatory work, is provided with a very modern shower bath.

The Operating Rooms are furnished with every modern appliance, with a graduate nurse in constant attendance. The appointments of these rooms are second to none in the city.

A. RALPH JOHNSTONE, M. D., Superintendent.

Long Distance Telephone OAKLAND 1220. **4147 Lake Avenue, CHICAGO.**

The Lakeside Hospital Training School for Nurses

offers a three-year course of training to young women from twenty to thirty years of age. Requirements, good health, good moral character and a high school education.

For further information, address

LAURA FELL WHITE, Superintendent,
4147 Lake Avenue, CHICAGO.

The STEWART HOME

THE HOME.

A PRIVATE Sanitarium.

J. N. STEWART, Supt.

755 and 757 E. 45th Street,

CHICAGO, ILL.

A high class Private Home, placed at the services of all physicians, where they can have their patients under their own care, and at the same time derive the benefit of a thoroughly equipped institution. The physician sending patients to this Home has entire medical charge of his patient, and the various baths and other treatments are given under his direction.

Patients in private rooms secure entire seclusion, if desired, and the luxuries of a well-appointed home; all the inmates of the Home share alike the untiring attendance of faithful experienced nurses.

We have Electric Light, Bath Cabinet, a combined Galvanic and Faradic Electric Outfits, and give Magnetic, Vitopath, Vibratory Hydrotherapy and other treatments. Prove the superiority of these baths over the ordinary Turkish or Russian by taking a trial bath.

The Home is in a beautiful, healthy location; every room an outside room; and steam heated, electric and gas light, and strictly modern throughout. Two waists are fitted for ladies and two for gentlemen, making this one of the most model Homes to be found any place.

Patients coming from a distance will receive the services and attention of expert physicians.

Address all letters and telegrams to the superintendent.

755 and 757 East 45th Street,
CHICAGO, ILL.

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv in PHILADELPHIA.)

Each annual session begins on first Tuesday in November and continues seven months.
Full course of Pharmacy given. Newly equipped laboratories. Practical instruction with abundant clinical advantages.
Four years' graded course. Board and other expenses very reasonable. For catalogue address

J. W. DECKER, M. D., Dean,

TEXARKANA, = = TEXAS.

INDIAN TERRITORY.

Population, 391,960.
(U. S. Census of 1900.)
Number of Physicians, 977.

The Territory is bounded on the north by Oklahoma Territory, on the south by Texas, on the east by Arkansas, and on the west by Texas, and comprises an area of 29,961 square miles, or 19,175,000 acres. It forms part of that vast inclined plane which slopes gradually down from the base of the Rockies to the Mississippi river. The valleys of the rivers in the eastern portion are fertile. The Arkansas, Red and Canadian rivers, with their tributaries, drain the Territory. The climate is warm and dry, the southeastern being the hottest and the northwestern the coldest portions; the mean annual temperature in the former is 60 degrees and the latter 55 degrees. The mean average rainfall is 31.2 inches.

CHEROKEE—NATIONAL BOARD OF HEALTH.

Sec, F B Fite, M D, Muscogee.

CREEK MEDICAL EXAMINING BOARD.

MEDICAL LAWS OF THE CHEROKEE NATION.

Section 741. The principal chiefs shall appoint in each supreme judicial district, thr reputable physicians, citizens of the Cherokee Nation, graduates of a regular school medicine, to constitute a board of medical examiners for said district, and to gra licenses to such applicants as may present to him, from one of these boards, or boa of appeal, hereinafter provided for, a certificate of satisfactory examination.

Sec. 742. One member elected from each of these three boards shall jointly co stitute a board of appeals, also a board of health, with advisory powers. The term office of the members of said boards shall be four years, or until their successors a appointed.

Sec. 743. It shall be the duty of the said district boards to hold a regular meeti at stated intervals of not less than 90 days; provided that when there is no applica for examination it will not be necessary for the board to convene. The board of a peals shall be convened upon a call of the president, or the request of two of its me bers.

Sec. 744. The board shall keep a record of all examinations, which shall be co ducted in writing, and after each meeting published in at least one newspaper of t Cherokee Nation the names of successful applicants for license.

Sec. 745. The compensation to members of the district board shall not exceed $ (U. S. currency), and shall be collected from the applicant. The board of a peals shall be entitled to a fee of $25, in examinations on appeals.

Sec. 746. All persons not holding license to practice medicine in the Cherokee N tion, by virtue of having been examined by the legally constituted medical board the same, shall be subject to the operation of this law, whether he or she be Cherokee citizen or not, and, before engaging in the practice of medicine in the said N tion, shall secure a license as hereinafter provided; provided that this act shall not construed as applying to persons who have been continually engaged in the practi of medicine in the Nation for 10 years next preceding its passage, nor to medicine, n to domestic medication, nor to enchantment in any form; provided, no license practice shall be issued to any person not a graduate from some medical school reputable standing.

Sec. 747. No rejected candidates shall be entitled to re-examination by any boa other than the rejecting one, until after the lapse of three months, after which ti he shall be entitled to a re-examination by the board of appeals, upon payment of fee not to exceed $25, upon whose certificate he or she shall be entitled to a license practice medicine within the Cherokee Nation.

Sec. 748. Any person practicing medicine in violation of this act shall, upon convi tion thereof, if a citizen of the Cherokee Nation, be fined in the sum of $100, and in d fault of the payment of the same shall be confined in the national prison at the ra of $1 per day until paid, or if not a Cherokee citizen shall be removed from the countr as provided by law for intruders.

Sec. 749. Any itinerant vendor of any drug, nostrum, ointment or appliance of a kind, intended for the treatment of disease or of an injury, or who shall by writi or printing or any other method publicly profess to cure or treat diseases, injuries deformities by any drug, nostrum, manipulation or other expedient, for a consider tion, shall pay to the Cherokee Nation a license of $50 a month, to be collected provided by law, as all other licenses are now collected, and any body violating t provisions of this act shall be deemed guilty of a misdemeanor, and, if a citizen the Cherokee Nation, upon conviction thereof, be fined $200, or in default of payme be confined in the national jail for a term not exceeding six months. Any person n a citizen of the Cherokee Nation violating the provisions of this section shall be a rested and turned over to the Indian agent for expulsion from the Cherokee Nation.

Sec. 750. It shall be the duty of the national officers to prosecute all violations this act, as provided for other misdemeanors. (Dec. 6th, 1890.)

DOCTOR. Have you tried SALO-SEDATUS in Typhoid Fever? See page 2.

CHOCTAW NATION.

AN ACT AMENDING THE MEDICAL LAW AND DEFINING THE DUTIES OF THE BOARD OF HEALTH.

Be it Enacted by the General Council of the Choctaw Nation Assembled:

Section 1. That the present medical law be, and the same is hereby, changed and amended to read as follows: The principal chief of the Choctaw Nation is hereby authorized and required to appoint a board of health, to consist of three persons, citizens of the Choctaw Nation, whose term of office shall be four years, who shall be regular graduates of some well known medical college, and residents of said Nation, whose duty it shall be to act as a board of medical examiners, and to have in addition all the powers and authority usually delegated to a board of health, and which is more specifically hereinafter defined.

Sec. 2. The board of health shall elect annually from their number a president, vice-president and secretary. The president shall have general supervision over the work of said board of health, and, in this capacity, shall be recognized as the health officer of the Choctaw Nation, and all matters pertaining to the public health shall be regulated and carried out under his direction and supervision.

The vice-president shall act instead of the president when for any reason the latter is unable to attend to his duties.

The secretary shall attend to all correspondence, keep all records, and be the disbursing officer of all funds when approved by the president, and his office shall be the headquarters of said board of health.

Sec. 3. The board of health shall meet once every three months, and at such other times as may be deemed necessary, for the purpose of examining any person or persons who may apply for a license to practice medicine in the Choctaw Nation; provided such applicants are eligible as hereinafter defined, due notice of the time and place of meeting being given by the secretary of the board.

Sec. 4. Any person desiring to come before the board of health for examination must accompany his application with a certificate of good moral character, signed by three or more reputable citizens of the Choctaw Nation to whom the applicant is known; but no person who has not attained the age of twenty-one years, and has not attended at least one term at some reputable medical college, shall be permitted to take the examination.

Sec. 5. The fee for examination shall be fifteen dollars, which must accompany the application for examination. In no case will the fee be returned, but when an applicant fails to pass a satisfactory examination he may be given a subsequent examination at the expiration of three months, without the payment of an additional fee.

Sec. 6. If an applicant shall pass a satisfactory examination the board of health shall grant said applicant a certificate to practice medicine, surgery and obstetrics in the Choctaw Nation, said certificate to show upon its face the school of medicine with which the holder affiliates, and to bear the seal of the board of health, and be signed by at least two members of the board of health. This certificate shall be registered in the office of the secretary of the Choctaw Nation in a book kept for that purpose, for which a fee of fifty cents shall be charged, after which he or she will be permitted to practice medicine, surgery and obstetrics in the Choctaw Nation without any subsequent expenses herein.

Sec. 7. Any person holding a certificate from the board of health and found guilty of habitual drunkenness, or grossly immoral or unprofessional conduct, shall have the same revoked.

Sec. 8. Any person shall be held to be practicing medicine, surgery or obstetrics, or to be a physician in the meaning of this act, who shall publicly profess to be a physician, surgeon or obstetrician, or assume the duties, or shall make a practice of prescribing and furnishing medicine for the sick, or shall publicly profess to cure or heal; but it shall not be construed to prohibit gratuitous service in the case of emergency, nor shall it apply to surgeons of the United States army or navy, nor to the advertisement and sale of patent or proprietary medicines.

Sec. 9. Any person not a citizen of this Nation who shall practice medicine, surgery or obstetrics in this Nation in violation of this act, shall be expelled from the limits of said Nation as an intruder; any person who is a citizen of this Nation violating this act shall be fined the sum of twenty-five dollars for each offense, and each day that he or she shall practice in violation of this act shall be construed a separate offense.

Sec. 10. Every physician who practices medicine, surgery or obstetrics, or professing or attempting to treat, cure or heal diseases, ailments or injuries by any medicine, appliance or methods; who goes from place to place, or house to house, or by circulars, letters or advertisements, solicits persons to meet him for professional treatment at places other than his office, or at the place of his residence, shall be considered an itinerant physician, and in addition to the certificate elsewhere provided for in this act, such itinerant physician shall procure from the board of health a license as an itinerant physician, for which he shall pay to the treasurer of the Choctaw Nation the sum of one hundred dollars per annum, the same to be used by the Choctaw Nation as any other revenue. This certificate may be revoked as in the case of regular certificates.

Any person not a citizen of this Nation who shall violate this section shall be expelled as an intruder and be subject to all the pains and penalties applicable to such cases should he or she return; any citizen of this Nation violating this section shall, upon conviction, be fined not less than one hundred nor more than three hundred dollars, and confined in jail in said Nation until the fine is paid.

RECTAL DISEASES.
PILES
The only "Natural Treatment" known. Restorative, not destructive
Most successful in all so-called incurable Rectal Diseases.
DR. WALTER C. BROWNING, 1325 Spruce Street,
(SEE PAGE 8.) PHILADELPHIA

Sec. 11. The board of health shall receive the fees as compensation for its servic when acting in the capacity of an examining board, but at such other times when en gaged in sanitary work or when engaged in preventing and suppressing disease, an for all other duties besides the duties of an examining board, the compensation sha be fixed by the principal chief of the Choctaw Nation, provided, however, that in ad dition to the above the secretary of the board of health shall receive a monthly salar of twenty-five dollars, the same to be paid out of the funds of the Choctaw Nation, a in the case of other officers of the Nation.

Sec. 12 It shall be the imperative duty of the board of health of the Choctaw Na tion to use all reasonable means and measures looking to the preservation of the pub lic health. It is, therefore, clothed with the authority, and it is hereby made it bounden duty to investigate the cause and spread of disease, and to use every reason able means for its prevention and suppression. To this end it shall have the powe to establish quarantine, fumigate and disinfect infected premises, and remove, destroy or abate things that are manifestly dangerous to the public health.

Sec. 13. It is further clothed with the authority to administer oaths, take testi mony, or summon witnesses when in its judgment the interests of the public healt require it; and this authority is delegated to each and every member of the board o health.

Sec. 14. It is further enacted that any and all officers of the peace of the Choctaw Nation shall be required to enforce the orders, regulations and restrictions emanatin from the said board of health, and to co-operate and act in conjunction with the boar and each member thereof in the discharge of its duties as hereinbefore specified.

Sec. 15. Be it further enacted, That this act shall be in full force and effect fron and after its passage, and any and all acts conflicting with this act are hereby re pealed.

Approved November 1, 1899.

GREEN M'CURTAIN,
Principal Chief, Choctaw Nation.

Executive Mansion, Washington, D. C.,
April 18, 1900.

Approved. William McKinley.

This is to certify, that the above and foregoing is a full, true and correct copy o the original act of the Choctaw General Council, passed at its regular session for th year 1899, and approved by the principal chief of said Choctaw Nation, in his officia character, and approved by the president of the United States, upon the dates therei set forth, and the said act is now on file in the office of the national secretary of sai Nation.

In testimony whereof, I, Solomon J. Homer, national secretary o
(Seal) said Nation, have hereunto affixed my official signature and the sea of the Choctaw Nation, this the 30th day of April, 1900.

SOLOMON J. HOMER,
National Secretary.

SYNOPSIS OF THE MEDICAL LAWS OF THE CREEK NATION.

A graduate of a recognized medical college, who can give satisfactory references a to his character, is required to pay a fee of $5 for having his diploma registered an an annual tribal tax of $25, which is collected by the United States government. An undergraduate must pass a satisfactory examination before the Creek Medical Exam ining Board, pay a fee of $25 and an annual tax of $25.

G. R. RUCKER, M. D.,
Secretary.

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in PHILADELPHIA.)

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ⟨, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

INDIANA.

CAPITAL, INDIANAPOLIS.

Population of State, 2,516,462.
(U. S. Census of 1900.)
Number of Physicians, 5,132.

Indiana was organized as a territory July 4, 1808, and admitted as a state December 11, 1816. It extends from 37 degrees 51 minutes to 41 degrees 46 minutes N. latitude, and from 85 degrees 48 minutes to 88 degrees 1 minute W. longitude, and is bounded on the north by Michigan and Lake Michigan, on the south by the Ohio river, which separates it from Kentucky; on the east by Ohio, and on the west by Illinois. It comprises an area of 33,809 square miles, of 21,737,760 acres. The surface is generally level, with the exception of the eastern portion, which has an average elevation of from 700 to 900 feet.

The climate is salubrious, and is somewhat milder than is experienced in the same latitude on the Atlantic coast. The winters are cold, but not of long duration, and the summers are often very hot. The mean annual temperature, as observed at Indianapolis, is 51 degrees, that of the summer 72.64 degrees, and of the winter 28.71 degrees. The average annual rainfall is about 43 inches.

The following table shows the increase in population for 70 years:

1830	343,031	1870	1,680,637
1840	685,866	1880	1,978,301
1850	988,416	1890	2,192,404
1860	1,350,428	1900	2,516,462

SYNOPSIS OF THE MEDICAL LAW OF INDIANA.

The governor has the appointment of the State Board of Medical Registration and Examination of five members, which must not include any professor or teacher in a medical college, and "each of the four schools or systems of medicine having the largest numerical representation in the state shall have at least one representative on said board."

Examination is required of all applicants for license to practice medicine in Indiana except students matriculating in medical colleges in that state prior to January, 1901, and graduating and making application prior to January 1, 1905. The board is required to make and record from time to time a schedule of the minimum requirements which must be complied with by applicants for examination for license to practice before they shall be entitled to receive such license. The board shall establish and cause to be recorded a schedule of the minimum requirements and rules for the recognition of medical colleges, so as to keep these requirements up to the average standard of medical education in other states. "After the year 1897 no change shall be made in schedules of requirements in any year after the month of January of such year, nor shall any change be made to have any retroactive effect, or that shall effect students theretofore matriculated. Such record shall be at all times open to examination by the public, and the said schedules of requirements, after they have been established and recorded, and all changes made therein, shall be printed in circular form and mailed to all medical colleges in the state, and shall also be furnished to any person upon application. Said board shall not, in the establishment of the aforesaid schedule or requirements, discriminate for or against any school or system of medicine, nor shall it prescribe what system or systems or schools of medicine shall be taught in any of the colleges, universities or other educational institutions of the state. It shall have the power to make and establish all necessary rules and regulations for the reciprocal recognition of certificates issued by other states and to prevent unjust and arbitrary exclusions by other states of graduates of medicine from this state who have filled its requirements."

No certificate shall be issued to any person whomsoever until he shall have satisfied the board that he has graduated at a reputable medical college, maintaining a standard of medical education as prescribed and shall have passed a satisfactory examination as to his qualifications to practice. The applicant shall have the right to designate, in

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in PHILADELPHIA.)

writing, at the time he files his application, the member of the board who shall conduct his first examination in materia medica, therapeutics, theory and practice of medicine, surgery, obstetrics and gynæcology.

The board, at its discretion, may authorize the secretary to issue a temporory permit to an applicant for the interim from date of application until the next regular meeting of the board. The state board of medical registration and examination shall have the right to review the evidence upon which a license has been obtained, and if it shall be found that a license has been obtained by fraud or misrepresentation, the board may revoke such license. The board (may) refuse to grant a certificate to any person guilty of felony or gross immorality, or addicted to the use of liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery. If any person holding a license under the provisions of this act shall be guilty of any of the above enumerated acts or shall have procured a certificate or license by fraud or misrepresentation, the board may, after notice and hearing, revoke any license which has heretofore been or may hereafter be issued to him, together with the certificate upon which such license has been or may be issued.

Appeal is provided for. Midwives also have license, and, if without diplomas, must pass a satisfactory examination. The usual exception is made as not discriminately against different systems and schools of medicine, midwives, United States surgeons, consultants, or physicians whose practice extends from a neighboring state, and medical students under a registered physician for a period of two years.

"Section 8. To open an office for such purpose or to announce to the public in any way a readiness to practice medicine in any county of the state or to prescribe for, or to give surgical assistance to, or to heal, cure or relieve, or to attempt to heal, cure or relieve those suffering from injury or deformity, or disease of mind or body, or to advertise, or to announce to the public in any manner a readiness or ability to heal, cure or relieve those who may be suffering from injury or deformity, or disease of mind or body, shall be to engage in the practice of medicine, within the meaning of this act: Provided that nothing in this act shall be construed to apply or to limit in any manner the manufacture or sale of proprietary medicines. It shall also be regarded as practicing medicine within the meaning of this act if any one shall use in connection with his or her name the words or letters "Dr.," "Doctor," "Professor," "M.D." or "Healer," or any other title, word, letter or designation intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches: Provided that this act shall not be construed to apply to non-itinerant opticians who are at this time engaged in the practice of optometry in this state nor to professional or other nurses."

The board may grant limited certificates which shall authorize the proper clerk to issue to the holder a license to practice osteopathy only. Such certificates shall be issued on the same terms and conditions as others, except that the applicant therefor shall not be required to pass an examination in materia medica, nor shall the college from which he presents a diploma be required to conform to the standard fixed as to instructions in materia medica, but such college shall so conform in all other branches of instruction. Such license shall not authorize the holder to administer or to prescribe or use on any other than himself any drugs or medicines, and any such administration, prescription or use of any drug or medicine by the person holding such limited license shall be practicing medicine without a license, and such person shall be punished therefor as others are punished for practicing medicine without a license.

Fee for examination $25, good also for one other examination within the year. Fee for examination of midwives $10. Certificate must be recorded with county clerk in county of residence. Regular meetings of board at Indianapolis on the second Tuesday of January and July of each year. Special meetings as necessary.—Journal of the American Medical Association.

The MADISON SANITARIUM,
A MEDICAL AND SURGICAL INSTITUTE.
MADISON, - - - WISCONSIN.

For Treatment of Rheumatism, Dyspepsia, Women's Diseases and Chronic Diseases by means of Dietetics, Electro-therapy, Hydro-therapy, Anasso-therapy, Photo-therapy, Thermo-therapy and Gymnastics.
Conducted on strictly Ethical Lines.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received §, Holds certificate of Examining Board ; †, Legally authorized under the "years of practice section of the act; ¶, Druggist; ‡, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is locate immediately follows and then the population of the place. The names of physicians appear unde the postoffice name, the first number (the key to which will be found on pages 145-189 indicates the college of graduation, and the last number the year in which diploma was granted

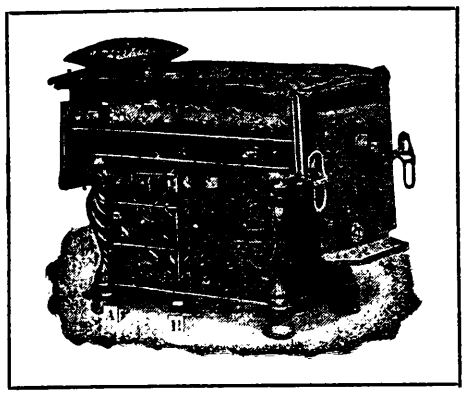
THE ALLISON

TABLES, CHAIRS AND CABINETS



are models of convenience for the physician's office. Their many advantages save the busy practitioner much valuable time and relieve the patients of many of the discomforts usually experienced in the physician's office.

The Tables and Chairs are adjustable to all the positions known in modern practice, enabling the operator to care for any case he may be called upon to attend.

The Cabinets, by their many compartments and convenient arrangement, keep all supplies and instruments within easy access, at the same time fully protecting them.

Catalogue "A" Fully Describes Them.

CENTRAL COLLEGE OF PHYSICIANS AND SURGEONS,

INDIANAPOLIS, INDIANA.

26th YEAR. **Reorganized 1901.**

26th Session Begins Third Week in September, 1904.

Full Four Years' Course. Member American Association Medical Colleges. Abundant Clinical Material. Instruction Largely by Clinical and Laboratory Methods.

Send for Catalogue and plans of new building to

GEORGE D. KAHLO, M. D., Dean, 115 E. New York Street.

JOHN F. BARNHILL, M. D., Secretary, 244-8 Newton Claypool Building.

FACULTY:

Allison Maxwell, A. M., M. D., Professor of Clinical Medicine and Diseases of the Chest.
George D. Kahlo, M. D., Professor of Principles and Practice of Medicine.
S. P. Scherer, M. D., Professor of Diseases of the Digestive System and Physical Diagnosis.
Albert E. Sterne, A. M., M. D., Professor of Nervous and Mental Diseases.
J. H. Ford, M. D., Professor of General Surgery.
Joseph Rilus Eastman, A. M., B. S., M. D., Professor of Surgery and Genito-Urinary Diseases.
A. J. Banker, M.D., Professor Principles of Surgery.
H. R. Allen, A. B., M. D., Professor of Surgery and Orthopedic Surgery.
Thomas B. Eastman, A. B., M. D., Professor of Abdominal Surgery and Diseases of Women.
Thomas B. Noble, A. B., M. D., Professor of Abdominal Surgery,
Hugo O. Pantzer, M. D., Professor of Gynecology.
Louis Burckhardt, M. D., Prof. of Obstetrics and Diseases of Children.
Thomas E. Courtney, M. D., Professor of Anatomy,
Paul J. Barcus, M. D., Prof. of Diseases of Children.
Wm. Charles White, M.B., M.D., Prof. of Pathology.
John F. Benham, A.B., M.D., Professor of Materia Medica and Therapeutics.
Charles R. Sowder, M. D., Prof. of Physiology and Chief of Dispensary Clinic.
John F. Barnhill, M.D., Professor of Diseases of the Ear.
Lafayette F. Page. A. M., M. D., Prof. of Diseases of the Nose and Throat.
F. C. Heath, A. M., M. D., Professor of Diseases of the Eye.
George S. Row. M.D., Clinical Professor of Diseases of the Eye.
T. C. Hood, B. S., M. D., Professor of Anatomy and Physiology of the Special Sense Organs.
E. Lyons, Ph. D.(Ind. Univ.) Professor of Chemistry.
Wm. P. Herod, A. M., Professor of Medical Jurisprudence.

And Thirty-seven Instructors, Demonstrators and Lecturers.

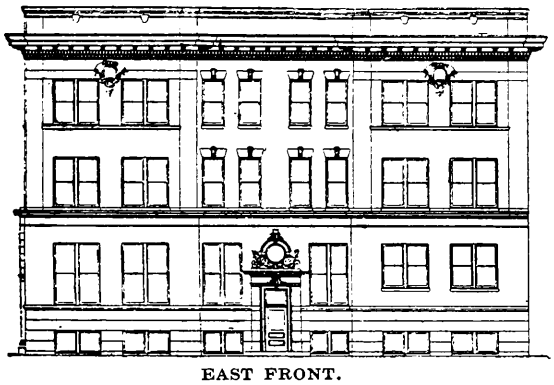
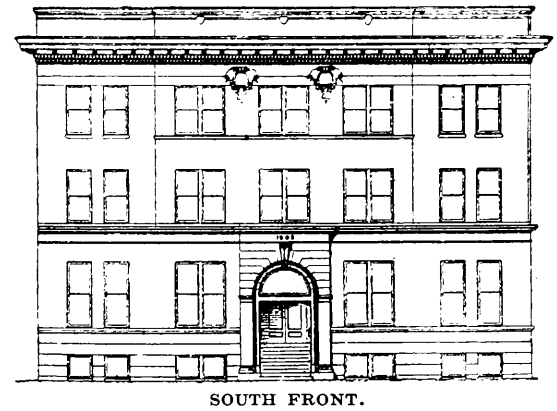
Physio-Medical College of Indiana



EAST FRONT.



SOUTH FRONT.

Session of 1904-1905 begins September, 1904, and Closes April, 1905.

A Four Years' Graded Course of Seven Months Each Year.

REQUIREMENTS FOR ADMISSION.

Applicants may enter this College by complying with the following conditions:

A certificate of good moral character, signed by two reputable citizens of the State of which he was last a resident.

Documentary evidence of preliminary education, the minimum being a diploma or certificate of graduation from a commissioned high school, scientific or literary college or university.

ADVANTAGES.

1. Well established and recognized for thirty years.
2. Competent and progressive faculty.
3. Thoroughly equipped and Modern Chemical and Bacteriological Laboratories.
4. Hospital advantages are excellent, and the Dispensary, which is run in connection with the College, furnishes abundant material for Clinical Teaching, which is a prominent feature in the course of instruction.
5. The work is so graded that one year will be devoted to the consideration of the Principles of Sanative Medication. Then, three years will be given to the practical application of those principles, during which time it will be demonstrated that disease can be more successfully treated without, than with poisons.

For announcements and other business pertaining to the College, address the Secretary of the Faculty,

C. T. BEDFORD, M. D.,
419 NEWTON CLAYPOOL BLDG.,
INDIANAPOLIS, IND.

BACKWARD CHILDREN. Our institution provides a Christian home with expert instruction for constitutionally defective children and adults, backwardness and awkwardness of speech, speech hesitation, lisping, burring, cleft palate, lalling, nasal twang, tied tongue, paralysis of the vocal chords, substitution of sounds, defective articulation, coupled with backwardness of intellect, and all other forms of imperfect utterance of speech and articulation.

Our latest book, "The Common Sense Treatment of Constitutional Speech Defects," **Free** upon request.

"NORWAYS" DR. STERNE'S SANATORIUM FOR NERVOUS DISEASES.
NO. 1820 E. TENTH ST., (FACING WOODRUFF PARK) INDIANAPOLIS, IND.

"NORWAYS"

Is strictly a sanatorium for the care and treatment of the sick. It is not a place for persons in search of amusement. The institution is composed of separate buildings, and is thoroughly equipped in every particular. The grounds are extensive and beautiful. The cuisine is excellent. Every method of treatment of known value is employed by skilled attendants. Patients suffering from all forms of nervous diseases, rheumatism, kidney troubles, the various drug habits, are accepted. The earlier stages of tuberculosis and other pulmonary maladies and those in need of the "rest cure" are especially treated For mental affections an entirely isolated building is used. Such patients never come in contact with other patients.

TERMS. All charges are payable weekly, one week in advance. They range from $25 to $50 per week, depending upon necessities of treatment and location of room. Regular sanatorium rates include board, room, nursing, treatment and physician's fees. There are no extra charges, unless a special nurse ($10 to $15 per week) is demanded.

The first complete examination is $10 whether a patient remain in the institution or not.

Out-door patients will be charged according to the treatment employed.

GARMENTS. Patients should wear comfortable clothing. No finery is advocated. Each person should have a bath or lounging robe.

Every patient must adhere to the printed rules and regulations of the sanatorium. These are posted in proper places about the buildings. No exception will be made to them in any case.

N. B. No person should be brought to the institution who is too weak to be safely removed from home. For further information apply to the Director.

ALBERT E. STERNE, M. D.

SANATORIUM—Consulting Hours, by appointment, 2 to 4 P. M. Visiting Hours to Patients, 3 to 5 P. M. Telephone 290.

PRACTICE LIMITED TO NERVOUS AND MENTAL DISEASES AND SURGERY OF THE BRAIN AND SPINAL CORD.

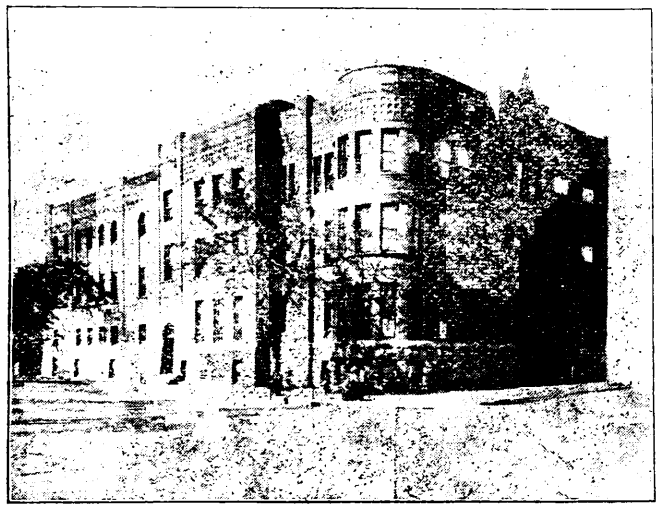
Sioux City College of Medicine,

Pierce Street, N. W. Corner 7th, SIOUX CITY, IOWA.

OWNERS OF THE BUILDING.



SIOUX CITY COLLEGE OF MEDICINE.

The next Annual Session opens Sept. 8th, 1904, and continues for eight months.

The Course of Study is carefully graded, and extends through four years. This College, maintaining membership in the Association of American Medical Colleges, exacts of students such requirements as to Matriculation, attendance upon Didactic, Laboratory and Clinical instructions and Graduation as conform with the requirements of the said Association.

Instruction is imparted by Lectures, Recitations, Clinic and Practical Laboratory Work in Anatomy, Histology, Chemistry, Pathology and Bacteriology, with bedside instruction in Surgery, Medicine, Obstetrics and Gynæcology.

Weekly Clinics at the St. Joseph's and Samaritan Hospitals.

FEES: Matriculation Fee (paid but once), **$5 00;** Fees for Regular Session, **$48.00;** Hospital Fee, **$5.00.** Women admitted on same condition as men.

For further information and for College Circular, apply to

DR. J. N. WARREN, Secretary, SIOUX CITY, IOWA.

IOWA.

CAPITAL, DES MOINES.

Population of State, 2,231,853.
(U. S. Census of 1900.)
Number of Physicians, 3,989.

Iowa was organized as a territory July 3, 1838, admitted as a state March 3, 1845, and readmitted with enlarged boundaries December 28, 1846. The population of the state, according to the U. S. Census of 1900, is 2,231,853, as against 1,911,896 in 1890, representing an increase during the decade of 319,957, or 16.7 per cent. The following table shows increase in population since 1840:

1840	43,112	1880	1,624,615
1850	192,214	1890	1,911,896
1860	674,913	1900	2,231,853
1870	1,194,020		

The total land surface of Iowa is, approximately, 55,475 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 34.5; 1900, 40.2. It extends from 40 degrees 25 minutes to 43 degrees 30 minutes north latitude and from 90 degrees 18 minutes to 96 degrees 53 minutes west longitude, and is bounded on the north by Minnesota, on the south by Missouri, on the east by Wisconsin and Illinois and on the west by Dakota and Nebraska. Iowa forms part of a vast plain and there no mountains or ranges of hills within state. The only slopes and surface di sities are formed by the streams, many which have cut deep valleys into the g eral level. The highest portion of the st is the elevated plateau forming the di between the rivers which empty into Mississippi river and those which em into the Missouri river. The lowest p of the state is the southeast extremity Keokuk, where the Des Moines river e ties into the Mississippi. It is 444 above sea level. The most elevated sec is near Spirit Lake, in the northwest portion, which is 1,694 feet above sea le The state is particularly well watered, principal rivers being the Mississippi Missouri, which form respectively its e ern and western limits, and the Ce Iowa, Des Moines, Wapsipinicon Skunk, affluents of the first-named, the Big Sioux, Little Sioux, Boyers Nishnabotna, which empty into the souri. There are numbers of beau small lakes scattered throughout the st The climate of Iowa is free from injur extremes, and the purity and dryness the atmosphere is a marked characteri The mean annual temperature as obse at Des Moines is 48.94 degrees, that of summer 71.80 degrees and of the wi

MEDICAL LAWS OF IOWA.

The following facts are stated for the information of those desiring to practice medicine, surgery or obstetrics in any of their branches in the State of Iowa, and are furnished in lieu of the statute, which is not published in pamphlet form.

The statute relating to the practice of medicine is entitled Chapter 17, Title XII, The Code, and is embraced in sections 2576 to 2583, both inclusive. The following embraces every important feature:

Section 2576 makes the physicians of the State board of health (seven) the board of medical examiners, and the secretary of the former board the secretary of the latter; provides for meetings in May and November, and oftener if deemed necessary; provides for issuing a certificate upon proper application, and prescribes the fee therefor. It prescribes the method of examination, and states that a failure to pass the examination will entitle the candidate to a re-examination without additional fee.

Section 2577 requires that before beginning practice the certificate shall be registered with the county recorder of the county in which the holder thereof resides, and in any other county of the State to which he may remove to practice. The fee for such record is fifty cents.

Section 2578 declares that a certificate may be refused to anyone otherwise qualified who is not of good moral character; and for like cause, or for incompetency, or habitual intoxication, or upon proper evidence that a certificate had been granted upon false or fraudulent statements as to graduation or length of practice, may revoke the same; provides that such revocation can only be made by an affirmative vote of at least five members of the board, and this number shall embrace at least one or more members of the different schools of practice on the board; and further that the standing of a legally chartered medical school can only be questioned by a like vote.

Section 2579 says that anyone shall be regarded as a physician under the meaning of the law who shall publicly profess to be a physician, surgeon or obstetrician, and assume the duties thereof, or who shall make a practice of prescribing or of prescribing and furnishing medicine for the sick, or who shall publicly profess to cure or heal. The following persons are exempt from the provisions of the law: Medical students, who have attended not less than two full courses of lectures in a reputable medical college, who may prescribe under the supervision of a preceptor, or gratuitous services in cases of emergency; surgeons of the U. S. army or navy, or of the U. S. marine hospital service; physicians and midwives who have previously obtained certificates on length of practice without diploma or examination; physicians who, without such certificate, have been in practice in Iowa for five consecutive years, three years in one locality; registered pharmacists filling prescriptions; advertising or selling patent or proprietary medicines or natural mineral waters flowing from wells or springs.

Section 2580 prescribes penalties as follows: For presenting to the Board of Medical Examiners a fraudulent or false diploma, or one of which the holder is not the rightful owner, in order to procure a certificate; or for filing or attempting to file with the county recorder the certificate of another; or for practicing without obtaining and recording the required certificate; or for continuing to practice after the certificate has been revoked (unless embraced in the exceptions of section 2579), the offense is declared a misdemeanor, and the fine not less than three hundred nor more than five hundred dollars and imprisonment in the county jail until such fine is paid. Anyone who shall attempt to file

with the county recorder the certificate of another person, with the name of the party to whom it was issued erased and the claimant's name inserted, or shall attempt to file with the board of medical examiners any false affidavit of identification, shall be guilty of forgery.

Section 2581 declares an itinerant physician to be a physician practicing medicine, surgery or obstetrics, or professing or attempting to treat, cure or heal diseases, ailments or injuries by any medicine, appliance or method, who goes from place to place, or from house to house, or by circulars, letters or advertisements asks persons to meet him for such treatment at places other than at his office, at his place of residence, and requires all such, in addition to the ordinary physician's certificate, to procure an itinerant's license from the state board of medical examiners, for which he shall pay to the state treasurer the sum of two hundred and fifty dollars per annum. The penalty for itinerating without such license is the same as for practicing as a physician without a certificate. The board may, for cause, refuse to issue such license, or, having issued it, may revoke it for incompetency or gross immorality. This section does not prevent physicians from attending patients in any part of the state, to whom he may be called in the regular course of business, nor from consulting with other physicians.

Section 2582 provides that after January 1, 1899, no person can begin the practice of medicine in Iowa excepting upon examination; that no person can be admitted to examination except upon graduation from a medical college recognized by the board as of good standing, and that no college can be so recognized by the board that does not require of those graduating after January 1, 1899, attendance upon four full courses of study of not less than twenty-six weeks each, no two of which courses shall have been given in any one year, as a condition of such graduation.

*This section was amended by the 28th G. A. so as to require the Board of Medical Examiners to examine the graduates of Iowa medical colleges who desire certificates at the time of graduation and at the place where the college is located. The fee for examination was reduced from twenty to ten dollars.

PROPOSED NEW HOSPITAL OF W. C. A.

(OVER).

The W. C. A. Hospital

Council Bluffs, Iowa,

Is famous for her charities and hospitals. Among the modern institutions of which she is particularly proud is the W. C. A. Hospital, located at the corner of Ninth Street and Sixth Avenue. The building is favorably situated, being away from the noise of the city and yet near enough to be conveniently and quickly accessible.

Operating Room is a Model of its Kind.

Physicians from all over the country have pronounced it the most perfect operating room in the West.

Training School: A fine training school for nurses is maintained and special attention is devoted to this branch of the hospital work.

The Management: The hospital receives the constant attention of those who are in a position to appreciate its requirements and needs. Nothing is overlooked in making its efficiency most complete. Forty patients can be comfortably cared for. The erection of a larger building is contemplated in the near future.

Terms Range from $5.00 to $15.00 Per Week

but no person requiring medical aid or hospital treatment is ever turned away for lack of means.

Emma G. Lucas, President W. C. A.

Loe M. Ross, Corresponding Secretary.

KANSAS.

CAPITAL, TOPEKA.

Population of State, 1,470,495.
(U. S. Census of 1900.)
Number of Physicians, 2,675.

Kansas was organized as a Territory May 30, 1854, and admitted as a State January 29, 1861. It lies within the meridians of 94 degrees 37 minutes and 102 degrees west longitude, and parallels 37 degrees and 40 degrees north latitude, and is bounded on the north by Nebraska, on the south by Indian Territory, on the east by the Missouri River and the State of Missouri, and on the west by Colorado. It is the central State of the Union, excluding the remote possessions, being equi-distant from the Pacific and the Atlantic Oceans on the west and east, and the British possessions and Mexico on the north and south, and contains an area of 81,318 square miles, or 52,043,520 acres.

The climate is mild and healthful, the mean annual temperature as observed at Lawrence being about 53 degrees—that of the summer 75.82 degrees and of the winter 31.65 degrees. The average annual rainfall is about 31.75 inches.

The following table shows the increase in population for 30 years:

1870	373,299	1890	1,427,096
1880	996,096	1900	1,470,495

The total number of deaths during 1900 was 7,732; rate per 1,000, 5.26.

For list of Medical Colleges see page 152.

MEDICAL LAWS OF KANSAS.

AN ACT To create a state board of medical registration and examination and to regulate the practice of medicine, surgery and osteopathy in the state of Kansas, prescribing penalties for the violation thereof, and repealing chapter 68 of the Session Laws of 1870.

Be it enacted by the Legislature of the State of Kansas:

Section 1. Within sixty days after the passage of this act, the governor, by and with the consent of the Senate, shall appoint a state board of medical registration and examination, consisting of seven members, one to serve for one year, two for two years, two for three years, and two for four years, and the successors of each shall be appointed in the same manner for the term of four years, who shall be physicians in good standing in their profession, and who shall have received the degree of doctor of medicine from some reputable medical college or university not less than six years prior to their appointment, representation to be given to the different schools of practice as nearly as possible in proportion to their numerical strength in this state, but no one school to have a majority of the whole board. Each member of the board shall take and subscribe the oath prescribed by law for state officers, which oath shall be filed with the Secretary of State. The board shall organize by the selection of a president and secretary from among their own number each to serve for such term as the board may designate, not exceeding four years. It shall have a common seal, and shall formulate rules to govern its actions. Its president and secretary shall have power to administer oaths pertaining to all matters related to the business of the board. The secretary shall furnish to said board a satisfactory bond conditioned for the faithful performance of his official duties. Said board shall hold regular meetings on the second Tuesday in February, June and October, of each year, and one other meeting at such time and place as the board may designate, in such of the chief cities of the state as the board may designate. Five members shall constitute a quorum for the transaction of all business, but no license to practice medicine and surgery shall be issued by the board upon less than five affirmative votes when the full board is present, or upon less than a majority affirmative votes when less than full board is present. The board shall keep a record of all of its proceedings, and also a register of all aplicants for license to practice medicine in all of its branches within the state, together with a record showing the age of the applicant, time spent in the study of medicine, and the name and location of the institution or institutions from which the applicant may have received degrees or certificates of medical instructions; also, whether the candidate was licensed or rejected, said books and register shall be prima facie evidence of all matters recorded therein.

Sec. 2. All persons engaged in the practice of medicine on the date of the passage of this act, shall within four months from the date of such passage apply to the board of registration and examination for a license to practice. To all such as present the following qualifications, the board shall issue a license upon payment of fee hereinafter specified: If a graduate in medicine or surgery, he shall either personally or by letter or proxy present his diploma to the state board of medical registration and examination for verification. Accompanying such diploma the applicant shall file his affidavit duly attested, stating that the applicant is the person named in the diploma and is the lawful possessor of the same, and giving his age, and time spent in the study of medicine. If the board shall find the diploma to be genuine, and from a legally chartered medical institution, in good standing, as determined by the board, and the person named therein, be the person holding and presenting the same, the board shall issue its certificate to that effect, signed by its president and secretary, which, when left for record with the county clerk of the county in which said applicant practices, as hereinafter required, shall be conclusive evidence that its owner is entitled to practice medicine and surgery in this state. If a practitioner of medicine, in Kansas, at the time of the passage of this act, but not a graduate of medicine or surgery as above defined, he shall either personally or by letter or proxy, furnish the board affidavits duly attested, stating the period during which, and the places at which he has been engaged in the practice of medicine or surgery. If the board is satisfied from the affidavit and other information received that the applicant was a resident engaged continuously in the practice of medicine in the State of Kansas, for seven years prior to the passage of this act, it shall issue its certificate to that effect, which when left for record with the County Clerk of

the county in which he resides shall be conclusive evidence that its owner is entitled to practice medicine and surgery in this state. If engaged in the practice of medicine in this state at the time of the passage of this act for a less period than seven years, prior to the passage of this act, and not a graduate in medicine or surgery as above defined, the applicant shall present himself before the board and submit to such examination as to his qualifications for the practice of medicine and surgery as the board may require. If the applicant passes the examination satisfactory to the board, the board shall issue its certificate to that effect, which, when left for record with the county clerk of the county in which he resides shall entitle its owner to practice medicine or surgery in this state. The board may refuse to grant a certificate to any person guilty of felony or gross immorality or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery and may after notice and hearing revoke the certificate for like cause.

Sec. 3. All persons intending to practice medicine, surgery or osteopathy after the passage of this act, and all persons who shall not have complied with Section 2 of this act shall apply to said board at any regular meeting or at any other time or place as may be designated by the board for a license. Application shall be made in writing, and shall be accompanied by the fee hereinafter specified, together with the age and residence of the applicant, proof that he or she is of good moral character and satisfactory evidence that he or she has devoted not less than three periods of six months each, no two within the same twelve months, or if after April 1, 1902, four periods of not less than six months each, no two in the same twelve months to the study of medicine and surgery. All such candidates, except as hereinafter provided shall submit to an examination of a character to test their qualifications as practitioners of medicine or surgery, and which shall embrace all those topics and subjects a knowledge of which is generally required by reputable medical colleges of the United States for the degree of Doctor of Medicine; provided, that the examination in materia mdica and therapeutics and in the theory and practice of medicine shall be conducted by those members only of the board who are of the same school of practice as the applicant claims to follow; provided, further, that graduates of legally chartered medical institutions of the United States or foreign countries in good standing, as determined by the board may be, at the discretion of the board, granted a license without examination; provided further, that any graduate of a legally chartered school of osteopathy wherein the requirements for the giving of a diploma shall include a course of instruction of not less than four terms of five months each, in two or more separate years, shall be given a certificate of license to practice osteopathy upon the presentation of such diploma; provided further, that the board may in its discretion accept, in lieu of examination or diploma, the certificate of the board of registration and examination of any other state or territory, of the United States or any foreign country whose standards of qualification for practice are equivalent to those of this state; provided, that a temporary certificate may be issued to any student of medicine, or practitioner of medicine, who is not qualified under the law upon the written request of a majority of the practitioners of medicine under this act in the county in which he or she desires to practice, or if there be no practitioners registered under this act in any county in this state, theboard shall issue a temporary permit to persons as above described upon the application of the Board of County Commissioners of said county.

Sec. 4. Upon the completion of the examination or the acceptance of the diploma or certificate as herein provided, the said board shall, if it finds the applicant qualified, grant and issue a certicate to said applicant to practice medicine and surgery or osteopathy within the state, and which shall be signed by the president and secretary and attested by the seal of the board. Within thirty days of the date of any certicate of license having been granted and issued by the board, the owner thereof shall have it recorded as hereinafter provided, in the office of the clerk of the county in which he resides, or if a non-resident of this state, then of the county in which he has an office or intends to practice, and the date of recording shall be endorsed thereon, and until such certificate or license is recorded he shall not exercise any of the rights or privileges therein conferred. The county clerk shall keep in a book for the purpose, a complete list of the certificates recorded by him, which book shall be open to public inspection during business hours. Between the first and twentieth days of December in each year, the county clerk shall furnish the secretary of the board a list of all certificates recorded, and in force, and also a list of all certificates which have been revoked, or the owners of which have removed from the county or died during the year. The fee for the recording and reporting of such certificates shall not exceed one dollar.

Sec. 5. The fee for the issuance of a certificate to all those found qualified to practice medicine, surgery or osteopathy without examination as provided under Section 2, shall be two dollars. The fee for examination shall be fixed by the board, but shall not exceed fifteen dollars. The fee for examination of diploma, or certificate from an examining board of another state, shall also be fixed by the board, but shall not exceed ten dollars. All moneys received by the board shall be paid by the secretary thereof into the state treasury monthly. The compensation and actual traveling and other expenses of the board shall be paid from the treasury of the state; provided, that the total amount paid from the state treasury under the provisions of this act shall not exceed the amount paid into the treasury as herein provided. The compensation of the members of the board shall be six dollars for every day actually spent in the discharge of their duties. In addition to his actual traveling expenses, the secretary shall receive a salary to be fixed by the board, but it shall not exceed eight hundred dollars per annum. All of such compensation and traveling expenses shall be approved by the president and secretary of the board. It shall be the duty of said board to make a report of their proceedings to the Governor annually on or before the 15th day of November, which report shall include an account of all moneys received and disbursed by them.

Sec. 6. Any person shall be regarded as practicing medicine and surgery within the meaning of this act who shall prescribe, or who shall recommend for a fee for like use,

SAUNDERS' SUCCESSFUL BOOKS
See pages 9 to 32

any drug or medicine, or perform any surgical operation of whatever nature for the cure or relief of any wounds, fracture, or bodily injury, infirmity or disease of other person, or who shall use the words or letters "Dr.," "Doctor," "M. D.," or any other title in connection with his name which in any way represents him as engaged in the practice of medicine and surgery, but nothing in this act shall be construed as interfering with any religious beliefs in the treatment of disease: Provided, that quarantine regulations relating to contagious diseases are not infringed upon. All persons who practice osteopathy shall be registered and licensed as doctors of osteopathy as hereinbefore provided, but they shall not administer drugs or medicines of any kind nor perform operations in surgery. This act shall not apply to any commissioned medical office of the United States Army, Navy, or Marine Service, in the discharge of his official duties, nor to any legally qualified dentist, when engaged in the legitimate practice of his profession; nor to any physician or surgeon who is called from another state or territory in consultation with a licensed physician of this state, or to treat a particular case in conjunction with a licensed practitioner of the state, and who does not otherwise practice in the state. Nor shall anything in this act apply to the administration of domestic medicines nor to prohibit gratuitous services; provided, any person holding a diploma issued by an optical college and who has studied the anatomy of the eye and contiguous parts, human physiology and natural philosophy for at least six months under a competent teacher and who shall pass examination satisfactory to the state board of medical registration and examination shall be eligible to register as an "Optician" or "Doctor of Optics" and shall be otherwise governed by this act so far as the same is applicable.

Sec. 7. From and after the 1st day of September, 1901, any person who shall practice medicine and surgery or osteopathy in the state of Kansas without having received and had recorded a certificate under the provisions of this act, or any person violating any of the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall pay a fine of not less than fifty dollars nor more than two hundred dollars for each offense and in no case wherein this act shall have been violated shall any person so violating receive compensation for services rendered. It shall be the duty of the secretary of the state board of registration and examination to see that this act is enforced.

Sec. 8. Any person who shall swear falsely in any affidavit or oral testimony made or given by virtue of the provisions of this act, or the regulations of said board of registration shall be deemed guilty of perjury.

Sec. 9. Chapter 68 of the Session Laws of 1870 is hereby repealed.

Sec. 10. This act shall take effect and be in force from and after its publication in the official state paper.

Approved March 1st, 1901.

I TREAT

MORPHINE
LIQUOR

AND OTHER DRUG HABITS.

I guarantee a cure in every case, and do not ask any money for treatment or sanitarium expenses until my patient is cured. There is no suffering, no danger and no bad effects from the treatment. The patient is restored to first-class physical condition. I run a modern sanitarium and treat chronic and nervous diseases also and no one need known your patient is taking treatment for a habit. I am always glad to extend courtesies to the medical profession.

LOS ANGELES, CAL.
See adv. at beginning California Physicians.

KENTUCKY,

CAPITAL, FRANKFORT.

Population, 2,147,174.
(U. S. Census of 1900.)
Number of Physicians, 3,536.

Kentucky was settled by Daniel Boone n 1769, organized as a Territory in 1790 nd admitted as a State June 1, 1792. The otal land surface is approximately 40,000 quare miles, the average number of per- ons to the square mile at the censuses of 890 and 1900 being as follows: 1890, 46.5; 900, 53.7. It extends from 36 degrees 30 ninutes to 39 degrees 6 minutes north lati- ude, and from 82 degrees 6 minutes to 89 legrees 44 minutes west longitude, and is ounded on the north by Ohio, Indiana and llinois, on the west by Missouri, on the outh by Tennessee, and on the east by Virginia and West Virginia. It has a river oundary of 813 miles, its northern border eing washed by the Ohio, its eastern by he Big Sandy or Chattaroi and its west- rn by the Mississippi; nearly all the other ivers which drain the State are affluents f the Ohio. The climate is mild and narked by no unhealthy extremes, the nean annual temperature being 55 degrees F.; that of the summer 73.96 degrees and f winter 38 degrees. The average annual ainfall along the Ohio River is about 48 nches, and in the southern extremity, 60 nches.

The following table shows increase in opulation since 1830:

1830.....	687,917	1870.....	1,321,011
1840.....	779,828	1880.....	1,648,690
1850.....	982,405	1890.....	1,858,635
1860.....	1,155,684	1900.....	2,147,174

For list of Medical Colleges, see page 152.

CAUTION.

Beware of so called Medical Directories, plagiarized from R. L. Polk & Co.'s Medical and Surgical Register of North America in violation of the copyright laws.

We have positive proof that some of the so-called State Medical directories issued since August, 1900, were copied from our 1900 Register and palmed off as new and original works.

Our friends will confer a favor upon us as well as render a service to the medical profession by promptly notifying us of such attempted frauds.

MEDICAL LAWS OF KENTUCKY.

(As Amended in 1898.)

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. It shall be the duty of the County Clerk of each county to purchase a book of suitable size, to be known as the "Medical Register" of the county, and to set apart one full page for the registration of each physician; and when any physician shall die or remove from the county, he shall make a note of the same at the bottom of the page; and said clerk shall, on the first day of January in each year, transmit to the office of the State Board of Health a duly certified list of the physicians of said county registered under this law, together with such other information as is hereinafter required, and perform such other duties as are required by this law; and such clerk shall receive the sum of fifty cents from each physician so registered, which shall be his full compensation for all the duties required under this law.

Sec. 2. It shall be unlawful for any person to practice medicine, in any of its branches, within the limits of this State, who has not exhibited and registered in the County Clerk's office of the county in which he resides his authority for so practicing medicine as herein prescribed, together with his age, address, place of birth, and the school or system of medicine to which he proposes to belong; and the person so registering shall subscribe and verify by oath, before such Clerk, an affidavit containing such facts, which if wilfully false, shall subject the affiant to conviction and punishment for perjury.

Sec. 3. Authority to practice medicine under this law shall be a certificate from the State Board of Health, and said Board shall, upon application, issue a certificate to any reputable physician who is practicing, or who desires to begin the practice of medicine in this State, who possesses any of the following qualifications: First—A diploma from a reputable medical college legally chartered under the laws of this State. Second—A diploma from a reputable and legally chartered medical college of some other State or country, indorsed as such by the State Board of Health. Third—Satisfactory evidence from the person claiming the same that such person was reputably and honorably engaged in the practice of medicine in this State prior to February twentythird, one thousand eight hundred and sixty-four. Fourth—Satisfactory evidence from any person who was reputably and honorably engaged in the practice of medicine in this State prior to February twenty-third, one thousand eight hundred and eighty-four, who has passed a satisfactory practical examination before said Board. Applicants may present their credentials by mail or proxy, and the Board shall issue its certificates to such applicants as are entitled thereto as though the applicant was present. All certificates shall be signed by the President and Secretary, and attested by the seal of the Board, and not more than two dollars shall be charged for any certificate.

Sec. 4. Nothing in this law shall be construed as to authorize any itinerant doctor to register or to practice medicine in any county in this State.

Sec. 5. The State Board of Health may refuse to issue the certificate provided for in section three of this article to any individual guilty of grossly unprofessional conduct of a character likely to deceive or defraud the public, and it may, after due notice and hearing, revoke such certificate for like cause. In all cases of refusal or revocation, the applicant may appeal to the Governor, who may affirm or overrule the decision of the Board, and this decision shall be final.

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.
(See adv. in PHILADELPHIA.)

Sec. 6. Nothing in this law shall be so construed as to discriminate against any peculiar school or system of medicine, or to prohibit women from practicing midwifery, or to prohibit gratuitous services in case of emergency; nor shall this law apply to commissioned surgeons of the United States Army, Navy or Marine Hospital Service, or to legally qualified physicians of another State, called to see a particular case or family, but who does not open an office or appoint any place in this State where he or she may meet patients or receive calls.

Sec. 7. It shall be the duty of the State and local Boards of Health to bring to the attention of the courts any violations of the provisions of this law within their respective jurisdictions.

Sec. 8. Any person living in this State, or any person coming into this State, who shall practice medicine, or attempt to practice medicine in any of its branches, or who shall treat or attempt to treat any sick or afflicted person by any system or method whatsoever, for reward or compensation, without first complying with the provisions of this law, shall, upon conviction thereof, be fined fifty dollars, and upon each and every subsequent conviction shall be fined one hundred dollars and imprisoned thirty days, or either or both, in the discretion of the court or jury trying the case; and in no case where any provision of this law has been violated shall the person so violating be entitled to receive any compensation for the services rendered. To open an office for such purpose, or to announce to the public in any way a readiness to treat the sick or afflicted shall be deemed to engage in the practice of medicine within the meaning of this Act.

RESOLUTIONS ADOPTED BY STATE BOARD OF HEALTH.

The Kentucky State Board of Health, at its June 10, (1903), meeting, passed the following preamble and resolutions:

Whereas, In violation of published requirements, many low-grade schools offer private inducements to medical students for admission, reduced time of attendance on lectures, scholarships and reduction of fees, to induce them to enter on the study of medicine to their own disadvantage, and contrary to the interests of humanity; be it

Resolved, That the State Board of Health of Kentucky will not recognize as reputable any medical college which violates its published requirements for admission, tuition and the time of attendance at the annual sessions, which requirements must be definitely expressed. The college shall require of each applicant for matriculation evidence of good moral character and a certain showing that he is a graduate of a recognized normal school, high school, academy or college of literature, science or arts, or a certificate from a county superintendent of public instruction showing that he has passed a satisfactory examination in the following branches: In English, composition, submitting a composition on some subject of general interest embracing not less than two hundred words, which shall be considered with reference to spelling, punctuation, thought and construction; in arithmetic, showing knowledge of decimal fractions, percentage and compound numbers; in algebra, simple equations; in Latin, first year of one ordinary Latin course; in physics, the elements of mechanics, hydrostatics, hydraulics, heat, optics and acoustics; or, in default of such certificate, he shall be examined in the above-named subjects by the superintendent of schools in the city in which the college is located and obtain and present his certificate.

No college shall offer or accept scholarships, or any reduction in fees, except as provided for and required under state laws, or under the laws of endowed universities.

No note accepted by any college in payment or part payment of fees, or any form of rebates will be recognized as complying with the above requirements, and no student shall be given credit for attendance on lectures, or for examination for advanced standing until all fees shall have been paid, nor shall the degree be conferred on anyone under other conditions.

Each student must have been in actual attendance for the full term in each of the four years required in the curriculum.

Each applicant graduating on and after July 15, 1903, shall make affidavit of compliance with the above requirements for each and every year after July 15, 1903.

The MADISON SANITARIUM,
A MEDICAL AND SURGICAL INSTITUTE.
MADISON, = - - WISCONSIN.

For Treatment of Rheumatism, Dyspepsia, Women's Diseases and Chronic Diseases by means of Dietetics, Electro-therapy, Hydro-therapy, Masso-therapy, Photo-therapy, Thermo-therapy and Gymnastics.
Conducted on strictly Ethical Lines.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement.
Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ℞, Druggist; ♁, Dentist.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

UNIVERSITY OF LOUISVILLE—MEDICAL DEPARTMENT.

SESSION 1903-04.

FACULTY.

Wm. Bailey, A. M., M. D., Emeritus Professor of Materia Medica, Therapeutics and Public Hygiene.
J. M. Bodine, M. D., LL.D., Professor of Anatomy and Dean of the Faculty.
W. O. Roberts, M. D., Professor of Principles and Practice of Surgery and Clinical Surgery.
J. A. Ouchterlony, A. M., M. D., LL. D., Professor of Principles and Practice of Medicine and Clinical Medicine.
H. A. Cottell, M. D., Professor of Physiology, Histology and Clinical Diseases of the Nervous System.
Turner Anderson, M. D., Professor of Obstetrics and Gynecology.
H. M. Goodman, A. B., M. D., Professor of Medical Chemistry.
John G. Cecil, B. S., M. D., Professor of Materia Medica, Therapeutics and Public Hygiene.
Thomas L. Butler, M. D., Professor of Surgica Pathology and Clinical Surgery.
J. M. Ray, M. D., Clinical Professor of Diseases of the Eye, Ear, Nose and Throat.
R. B. Gilbert, M. D., Clinical Professor of Diseases of Children and Demonstrator of Anatomy.
I. N. Bloom, A. B., M. D., Clinical Professor of Genito-Urinary Diseases.
D. T. Smith, M. D., Lecturer on Medical Jurisprudence.
William B. Doherty, M. D., Lecturer on Obstetrics. Quizmaster in Obstetrics.
Edward L. David, A. B., M. D., Lecturer on Anatomy.
Lewis C. Blitz, M. D., Lecturer on Practice of Medicine.
Michael Casper, B. S., M. D., Lecturer on Materia Medica, Therapeutics and Public Hygiene.

DEMONSTRATORS.

William O. Bailey, M. D., Demonstrator of Ophthalmology.
John K. Freeman, A. B., M. D., Demonstrator of Normal Histology and Microscopical Technology.
Edward L. David, A. B., M. D., Prosector, Assistant Demonstrator and Quizmaster in Anatomy.
Edward R. Palmer, A. B., M. D., Demonstrator of Pathological Histology.
Vernon Robins, M. D., Demonstrator of Bacteriology.
Isaac Lederman, A. B., M. D., Demonstrator of Laryngology, Rhinology and Otology.
Herbert Bronner, A. B., B. S., M. D., Demonstrator of Medical Chemistry.
David Yandell Roberts, M. D., Demonstrator of Operative Surgery and Surgical Dressings.
Frank W. Fleischaker, Ph., G., M. D., Demonstrator of Physical Diagnosis.
Donald R. Jacob, M. D., Demonstrator of Physiology.

ASSISTANTS.

Edward L. David, A. B., M. D., Chief of Clinic in Diseases of Children.
Oscar E. Bloch, A. M., M. D., Assistant to the Professor of Surgery and Clinical Surgery, and Quizmaster in Surgery.
Vernon Robins, M. D., Assistant to the Professor of Genito-Urinary Diseases.
L. C. Blitz, M. D., Chief of Medical Clinic and Quizmaster in the Practice of Medicine.
Isaac Lederman, A. B., M. D., Assistant to the Clinical Professor of Diseases of the Eye, Ear, Nose and Throat.
John K. Freeman, A. B., M. D., Assistant to the Professor of Obstetrics and Gynecology.
Leo Bloch, Ph. B., M. D., Quizmaster in Gynecology.
David Yandell Roberts, M. D., Chief Assistant to the Professor of Clinical Surgery and Quizmaster in Surgery.
Simrall Anderson, M. D., Chief Assistant to the Professor of Obstetrics and Gynecology, and Quizmaster in Gynecology.
Michael Casper, B. S., M. D., Quizmaster in Materia Medica, Therapeutics and Public Hygiene.
Robert T. Pirtle, M. D., Assistant to the Professor of Clinical Surgery.
Alphons Richard Bizot, Ph. B., M. D., Anaesthetist and Assistant to Professor of Clinical Surgery.
August F. Knoefel, M. D., Assistant to the Professor of Chemistry.
Donald R. Jacob, M. D., Assistant to the Professor of Physiology, Quizmaster in Physiology.
Herbert Bronner, A. B., B. S., M. D., Assistant to the Professor of Clinical Diseases of the Nervous System.
Frank W. Fleischaker, Ph. G., M. D., Assistant to Chair of Practice in Hospital.
J. T. Windell, M. D., Curator of the Museum.

The Sixty-seventh Regular Annual Session will begin on Monday, the 21st day of September, 1903, and continue until the first day of July, 1904.

The session is divided into two terms. The first term will begin September 21st, 1903, and end April 1, 1904; the second term will begin January 1, 1904, and end July 1, 1904. A complete course of instruction in all departments of medicine will be given during each term.

A time credit of one year will be allowed students who enter the school *September* 21, 1903, and remain continuously until *April* 1, 1904, a period of six months.

A time credit of one year will be allowed students who enter the school *January* 1, 1904, and remain continuously until *July* 1, 1904, a period of six months.

While attendance during both terms is optional and recommended by the Faculty, such attendance will not entitle the student to a time credit of more than one year. Attendance upon four courses of instruction in four separate calendar years (a period of twelve months intervening between the beginning of one course and the beginning of another) is required of every candidate for graduation by the Association of American Medical Colleges. This requirement will be rigidly enforced by this College. At the close of each term, in March and June, respectively, examinations will be made of freshmen, sophomore, junior and senior classes, and diplomas conferred upon such seniors as are entitled to receive them. Instruction practical. Clinical facilities afforded by the University Dispensary, University Hospital, and City Hospital abundant. Extensive Laboratories, well equipped with the latest appliances. Quizzes systematic and regular.

For circular containing full particulars, address **J. M. BODINE, M. D., Dean, Louisville, Ky.**
